Teaching

Adjunct Lecturer | *Universidad del Rosario - Microeconomics I* **Jul. 2024 – Jan. 2025**

- Course planning and delivery, presentation of theoretical content and applications, and academic mentoring to promote formal economic reasoning and understanding of microeconomic mechanisms.

Teaching Assistant | *Universidad del Rosario - Introduction to Economics* **Jan. 2023 – Jun. 2024**

- Explanation of theoretical concepts, development of examples and practical applications, academic support through exercises, workshops, and problem-solving sessions.

Instructor | *Econometría S.A.- Programming and Data Analysis in R* **Mar. 2024 – Apr. 2024**

- Introduction to R programming, including control structures (loops), data manipulation and analysis with dplyr, and basic text mining techniques.

Instructor | *Maastricht University - Informality in the Streets* **Mar. 2024 – Apr. 2024**

- Coordination of theoretical sessions and fieldwork on informality, poverty, and labor inclusion.

Consultancy Projects

Propuestas para reducir la informalidad laboral en Colombia | *Gremio Aliadas* **2026**

- Conducted a comprehensive analytical review of labor informality in Colombia, including a cost-benefit assessment of formalization across worker groups, and developed evidence-based policy recommendations to inform social security reform and promote formal employment.

Caracterización de trabajadores de plataformas digitales | *Alianza In* **2026**

- Designed and implemented a diagnostic on digital platform workers in Colombia, combining official labor surveys and primary data to estimate the sector's employment contribution, socioeconomic profile, and social protection conditions.

Marco normativo y fiscal de la informalidad en América Latina y el Caribe | *CAF* **2026**

- Prepared a cross-country policy background paper for CAF's Economic and Development Report 2027 (RED 2027)

Acelerador Global de Empleo y Protección Social para transiciones justas | *ILO* **2025**

- Development of the Global Accelerator framework; support in public policy analysis, SDG alignment, and strategic recommendations.

Índice de Bienestar Multidimensional | *Fundacion Bancolombia* **2025**

- Conceptualization, methodological design, piloting, and analytical validation of the Multidimensional Well-being Index.

Plan Regional de Competitividad Cartagena y Bolívar | *Gobernacion de Bolivar* **2024**

- Quantitative and qualitative analysis, participation in regional workshops, preparation of specialized chapters, and design of governmental action plans.

Ruta de formación y empleo para mujeres en el sector de la construcción | *GOYN* **2023**

- Quantitative evaluation of program outcomes and qualitative analysis through focus groups to assess experiences, perceptions, and barriers to labor market integration.
